

Jeannie is a single mother who is struggling to survive this Christmas. She and her 5 children came to Target Dayton for Thanksgiving to get food and winter coats.

Their only hope is you...

**Thousands of your neighbors
are in poverty this Christmas...
and their only hope is you!**

As you celebrate Christmas this year, will you give to Target Dayton to help your less fortunate neighbors *like Jeannie and her 5 children?*

Look at their faces. They are real people with real feelings who live right here in Dayton Ohio... and they need your help this Christmas.

They are all ages. All colors. Men, women and children who will have no food on the table or presents under the tree this year.

Many will spend Christmas sleeping in a crowded homeless shelter or on the street shivering in the cold.

When they say their prayers tonight they will ask God for strength to keep going and help to get back on their feet.

And God wants to use you to answer their prayers. Will you share your blessings to feed them? Will you have compassion for them and give them hope and new life in Christ?

Will you take a minute to rush a generous donation to feed and save the poor this Christmas?

Their only hope is you! . . .
