

An unnamed guest left this prayer request card after one of our services expressing their gratitude and prayer for us. (their message continues on back page)

“Target was there...”

Through the caring generosity of people like you, Target Dayton has been there for the poor and homeless men, women and children in our city for 18 years now.

Day after day, 6 days a week, we have been there for them in their darkest hours, providing the physical and spiritual help they need to get back on their feet and see brighter days!

Target was there when they needed a hot meal, a Bible or some clean socks. And Target was there when they needed to find Jesus.

During the past 18 years Target Dayton has grown from a small Saturday meal for the homeless to a life changing church helping 1000's of people find Christ in the inner city.

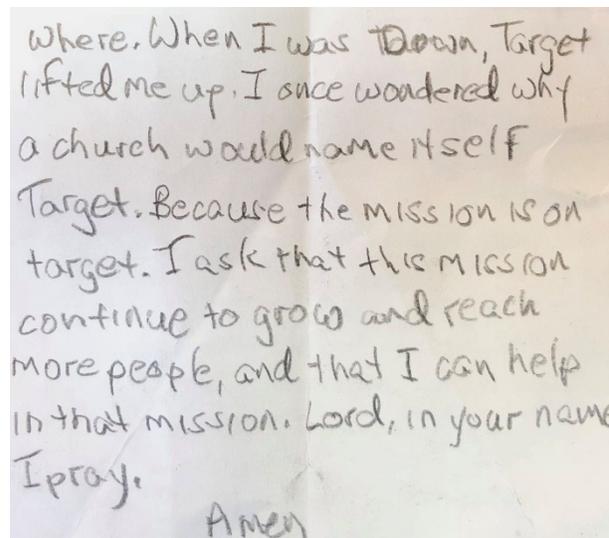

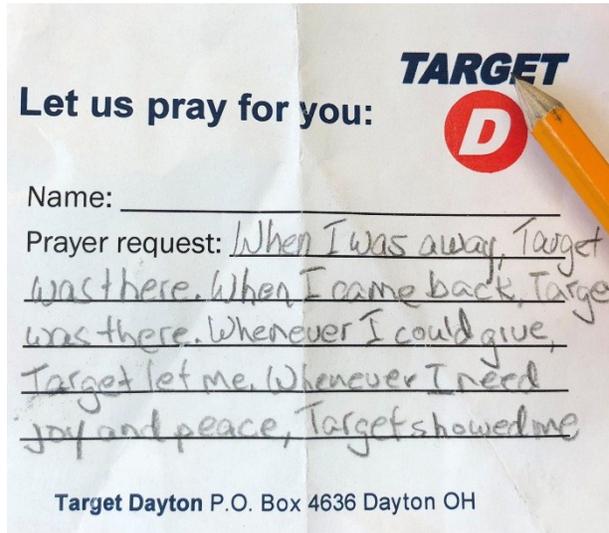

While the ministry has grown and improved during the past 18

years, our mission and priority has remained the same. Target is here to show God's love to the poor and homeless through ministries of compassion and to lead them to a life changing personal relationship with Jesus Christ.

During the past 18 years, through the heat of summer and the cold of winter, Target Dayton has served more than a million free hot meals to the poor and homeless and led thousands to Christ!

Target was there for people like the person who left this prayer request. And with your continued support, we will be there for them the next time they need our help!

Thank you for giving to feed and save the poor!
