

Bob Johnson, Maxine Singleton and Janet Conway have been serving at Target Dayton for 15 years! *Now in their eighties they still serve every weekend!*

## ***Serving the Poor for 15 years!***

“Serving at Target Dayton for the past 15 years is the **most rewarding thing** I’ve ever been involved with,” Janet said. “I have found real joy and happiness in serving others who are less fortunate than me!”

“Serving at Target Dayton has **changed my life and deepened my faith**,” said Bob. “I hear so many heartbreaking stories but then I see Jesus change their lives!”

“It **just feels good** to be part of a ministry that is doing so much good and making such a big difference in people’s lives,” said Maxine.

“When I see the great needs of the people, **I want to help them**. I feel like a mom or grandma to people who have no one,” Janet said.

“**Helping them find Jesus** is what this ministry is all about,” said Bob. “That’s what we’re here for!”

Bob welcomes guests at the front door & directs volunteers when they arrive.

Janet greets & ushers guests into the sanctuary to be seated for services.

“We’ve seen **many lives changed** over the years,” said Maxine. “People stop drinking, get off drugs, start living for Jesus, get jobs, get places to live, graduate from college, even start families!”

“This is what **Jesus followers are supposed to do**,” said Janet. “People need our help!”

“**Come down and serve**,” said Bob. “It will change your life!”

Maxine is a volunteer coordinator, a children’s care giver & she sings in the choir.
