

After volunteering for many years, Mike Gillis became a full-time employee at Target Dayton last year. Mike serves as a bus driver and keeps our floors shining for Jesus!

Meet Mike Gillis...

“Coming on staff at Target Dayton has been a very rewarding experience for me.

I love getting up every morning knowing that people are depending on me to get them to Target Dayton that day for help!

So many are hurting, lost and feel forgotten in our city. The numbers we see at Target Dayton every day are still just a handful.

Our ministry is to feed, clothe and share the gospel with them. We do our best every day to show them compassion and lead them to Christ.

I try to honor each guest with respect and show them the love of Jesus. When you sincerely care about people they can tell.

Many of our guests have become my friends! I believe I am having an impact on people for Christ.

Jesus turned my life completely around! He changed my heart from a heart of stone to a heart of flesh. My life is a true miracle of His grace!

I want every person who gets on my bus to experience that same true miracle of grace in their lives!"

Your monthly donations help keep the wheels on our buses rolling! Please give to feed and save the poor!
