Delivering the Gospel...

The poor are searching for Christ like never before in the climate of fear and spiritual darkness gripping our nation right now.

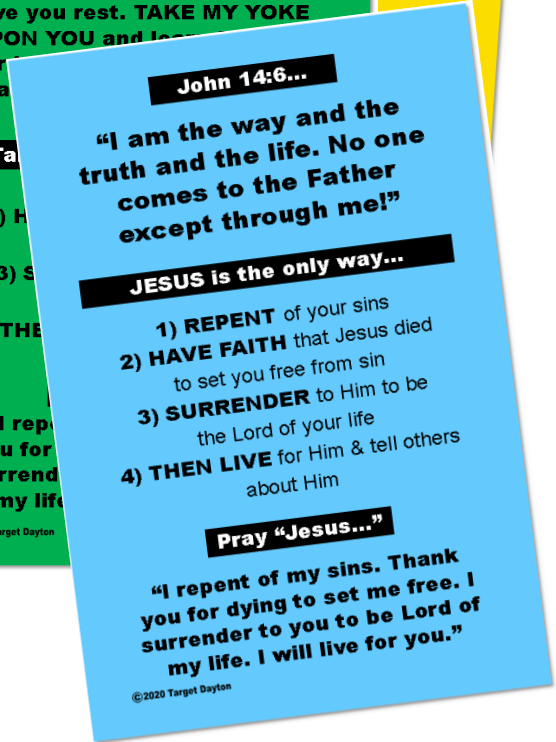

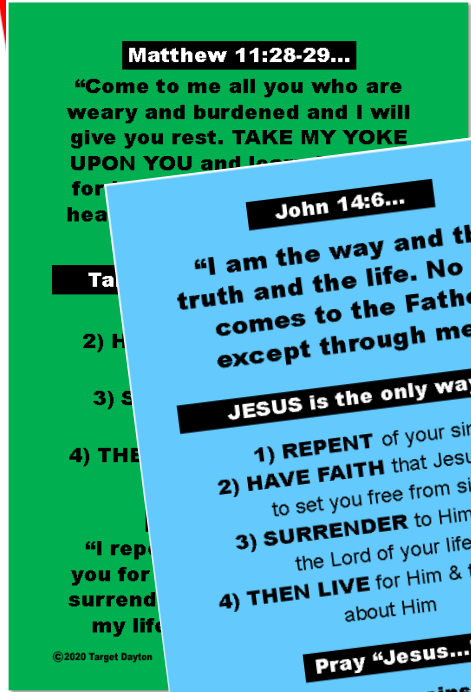

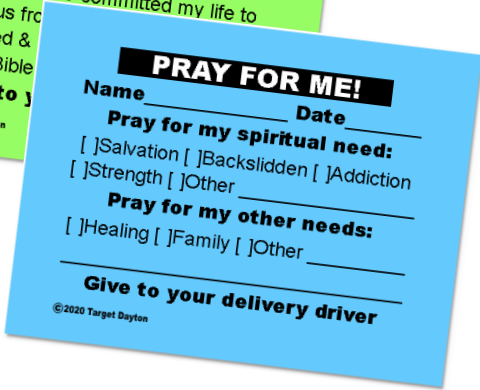

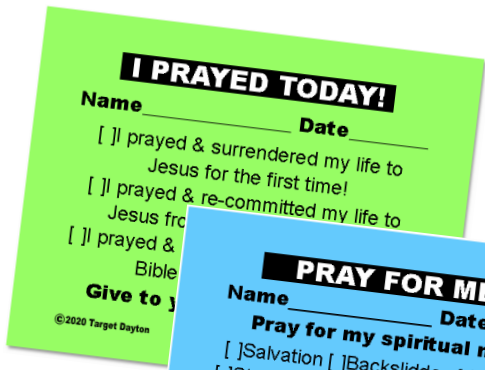

Yet most are staying away from our on-site services. So we are now delivering food and the gospel message right to where they live with our free meal deliveries!

In addition to providing hundreds of free meals and preaching the

gospel in our on-site services, we also delivered **over 10,000 meals** to people living in low income housing during the month of July!

Included with every meal, is a *simple presentation of the gospel* designed to lead people to Christ.

Every day, in every meal, there is a new Bible verse, simple steps explaining how to respond and a basic salvation prayer as shown above.

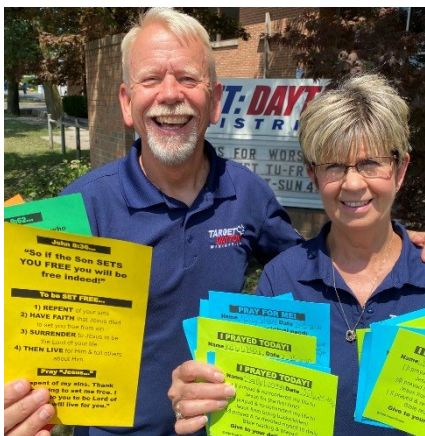

Also, every meal we deliver has “PRAY FOR ME” and “I PRAYED TODAY” response cards for people to fill out and return to us so we can pray for them!

They just give their cards to their volunteer delivery driver and our pastoral staff prays for each card we receive.

Thank you for giving to feed and save the poor during these unprecedented times!
